

## How to install the ChurchBuilder App

1. The ChurchBuilder app is available for mobile devices. It can be downloaded either from the Google Play Store (for android devices) or from the App Store (for Apple devices); just search the store for "ChurchBuilder".
2. Once you have located the app you can install it on your device.

3. Once installed, run the app and you will be asked for the information shown in the picture.  
**Church Website address:** This is stjohns.churchbuilder.org.uk  
**Username and Password:** These are the same as you use to log into the Church website.

A screenshot of the 'Link Device' screen in the ChurchBuilder app. The screen has a blue header with a back arrow and the text 'Link Device'. Below the header, there is a message: 'Please link this app to your ChurchBuilder account.' followed by the text 'Church Website address'. There are three input fields: the first is empty, the second is labeled 'Username', and the third is labeled 'Password'. At the bottom of the screen is a 'Login' button.

4. Once you are logged in, you can access information including the church calendar, contact information from the church directory and rota.

Enjoy!
